

Press Release

(Date: October 15, 2007)

Greenville Parks and Recreation

Room 240
100 Public Square
Greenville OH 45331

For More Information Contact:

Tracey Martin
Parks and Recreation Superintendent
548-1314

For Immediate Release:

The Greenville Parks and Recreation Superintendent is announcing that all outside public restrooms, water fountains, and water spigots in the Greenville City Park System are starting to be shut off to prevent freeze up damage. Therefore all outside public restrooms in the Greenville City Park System will begin being securely locked and closed for the upcoming winter months. The Park Maintenance Crew will open these facilities back up in the Spring of 2008 upon the return of above freezing temperatures.

The Greenville Parks and Recreation Department would like to thank the citizens of Greenville and Darke County for your support of our programs and activities during the 2007 Season and appreciates your understanding for the need to winterize and close certain Park Facilities for the Winter Season.

Please feel free to contact the Parks and Recreation Department at 548-1314 with any questions, or for additional information.
